Red Cross San Nicolas At Work!

Red Cross Aruba San Nicolas Branch opened for its monthly "Pan y Sopi" (Bread & Soup) and provided a warm meal and support to about 25 people. This soup kitchen is part of Red Cross Aruba's social program.(faces were blurred out to protect their privacy)

Workshops Continue At Cosecha

In the year 2020 Workshops carry on at the Creative Center in San Nicolas. This time workshop Mandala Cup and Saucer took place , where adults and kids participated.

San Nicolas Steelband Extravaganza

With the second edition of Honor to Connor Steelband Extravaganza, that took place in front of Charlie's bar and Restaurant, , no doubt Aruba Pan Man Foundation achieved its goal. In this case I am referring to the goal of keeping the Steelpan music alive in Aruba.

This event, which is to commemorate the Birthday of the late Edgar Connor Aruba's Steelpan Pioneer ,which is January 18, started out with an excellent performance of the kids that receive steelpan playing classes at Skol di Arte. The kids were so enthusiastic in their steelpan playing on stage that they

played more songs that were presented by the MC. Then followed the adults that receive steelpan playing classes at Skol di Arte, who gave a good performance although the falling rain stalled the performance for a moment.

The youngsters Marver Guedez and Carlson Peterson with their fantastic steelpan playing performance also contributed to the goal of Aruba Panman Foundation in keeping Steelpan playing alive in Aruba. Robert Philips with The Boyz Pan Experience showed that on steelpan you can play all sort of songs. In this case this Steelband played one of the instrumental songs from the band called Santa , in a way that

is equal to the original version. Aruba Invaders Steel Orchestra gave a performance that no other steelband can give.

The part of the "Extravaganza" where Aruba Invaders Steel Orchestra played

Steelman the way it was done in the past during Carnival Parades had those that were present jamming in the street of San Nicolas. Making them feel the atmosphere when Steelpan Playing was the main means of music in the Carnival Parades of Aruba.

The "Honor to Connor Steelband Extravaganza" ended with a presentation of LLOYD Baptist who had the crowd jamming with singing , among others, the song Ban Ban, Lulu. This in combination with a Costume presentation and dancing of the Cocco Rico Emotions. All in All, the second edition of" Honor to Connor Steelband Extravaganza, was a great success that is contributing with its main goal, which is keeping the Steelpan Playing in Aruba alive. Thumbs Up, for Paula, Nico and Lee Connor, MC Gregory Richardson and Charlito and Montsy Brouns. "See you Next Year".

San Nicolas Balloon Parade 2020

Children Balloon Parade in San Nicolas in which 4 groups participated, reaching to a total of 1500 participant. The Parade started 1.07 PM , the first group reached 4.37 at the finish and the last group reached the finish 5.06 PM. The Parade took place in a harmonious and joyous atmosphere, surrounded by colorful balloons. And no one has been arrested by the police.

Word On The Street!

It has come to our attention and also the attention of the Street, that the interest in the kids parades have disappeared. Not sure if it's selfishness on the groups behalf to keep out other groups by making rules that they know would be too difficult, and this way keep the carnival in their same Circle of kids groups? But the people has spoken by the amount of onlookers, this has dropped(see pictures)

Poet & Artist Reginald de Palm

There is a nasty
side to me

Yet I will only
show you my
beauty

Approach you
with more than
the eye can see

I come with chant
and with melody

There is nothing like my flavor, my taste

I will show you time you don't want to waste

Anoint you with an oil that is water-based

I will then remove everything I placed

There is more zest under the silk and feather

I'd like you to feast on my size and measure

Assure you that this is your best Carnival ever

You like me, I'm Carnival.. always better
